OUR LEARNING

focus...

The Holiday season is fast approaching and I can hardly wait!! Almost everyone is doing so well with learning how to drink out of their cups and using their spoons. Please continue to work with them at home you guys are doing so great! Please remember to make sure your child has weather appropriate clothing in their book bags. We are having so much fun learning and exploring how things work around us and exploring sensory related items. As always please feel free to see me (Ms. Kirstie) or Ms. Rilynn if you have any questions or concerns.

Reminders

-When it comes out, please sign up to bring a dish for our Thanksgiving feast on Sign-up Genius.
-Please let your Child's teacher know if you aren't going to be here for Thanksgiving week.
