

# Room 12 Newsletter

January was a long month! The children have been busy cutting, tracing and getting back into our letter of the week.

This month we will continue cutting and tracing, but also learning how to spell our name and recognizing each letter in our name. We will be having a valentines day party and hope you will join us. We are asking that you please decorate a box or bag at home with your children to collect Valentines Day cards. Please bring in 21 Valentines Day cards to exchange with our class.

## Birthdays:

2/5 Emmy  
2/27 Gabby
