What We Learning.

For the month of February we will continue to focus on language development and speech, gross-motor skills, and cognitive development. Some of the activities we will implement:

- Use of simple words and phrases: more milk please. I want to play.
- Cognitive Development: Find hidden objects both inside and outside the classroom. (Hide and Seek)
- Understand and recognize simple shapes: circle, square, triangle.
- Fine-tuned gross motor skills: the use of spoon and drinking liquids from an open cup.

Themes

This February, our following themes will be:

- Valentines Day
- Groundhog Day
- Love and Friendship
