

January Newsletter

Classroom News!

Welcome to January! We are excited to start the new year with lots of fun and learning in our classroom. This month, we'll be exploring new sensory activities, discovering colors and shapes, and developing our fine motor skills through play and art. We'll also focus on building social skills as we continue to learn how to share and communicate with our friends.

We're looking forward to a month full of smiles, new experiences, and growth as we continue to support each child's development!

Reminders

- ✓ Monday January 20th: JPLC will be CLOSED for MLK Day
- ✓ It's getting colder! Please dress your little one in weather appropriate clothing
- ✓ All of our friends are walking- yay! We highly suggest hard bottom shoes to keep encouraging walking

OTHER NEWS

We miss Ms. Tre SO much! We hope to see her soon but in the meantime- let's send positive vibes and continue to wish her a speedy recovery! We're sending her so much love.
