

ROOM 2 JANUARY 2025 NEWSLETTER

Ms. Adrianna and Ms. Victoria

Notes:

Happy New Year to all our families! Welcome to 2025! We hope everyone had a fun and restful break with family and friends! We'd like to thank our families for all our wonderful gifts and cards received. We truly appreciate everything and again
Thank You!

For the month of January we are planning a lot of cool and fun activities while learning new skills.

From the start of the school year, we have been working with your child on proper hand washing procedures and we are so happy that they are grasping proper hand washing techniques with teacher assistance.

For the month of January, we will continue to practice eating with utensils and drinking from an open cup. As we practice using open cups we will start with only water and work our way up to drinking milk from open cups.

On that note we want to thank you for your support here at school as well as at home!
