ROOM 11

Happy New Year! We hope you all had a happy holiday and hope that all your wishes and hopes for 2025 will be coming true. Thank you so much for our Christmas gifts, we really do appreciate it. This month we will be working more on our cutting and ripping skills. We will be practicing writing our letters P, Q, R, S, and the letter T. The children will be learning more self-help skills and using appropriate words to express their feelings. If you have any questions or concerns please contact us. Thank you Ms. Cindy & Ms. Beasley
