

# April 2025 Newsletter

## Room 11

What an exciting month April will be! We will be talking about Letter Recognition, WOYC, Easter, and Farm Life. The children know the difference between the front, back, and spine of a book. They also know what an Author and Illustrator do. They are getting better at recognizing where pieces fit in a puzzle. We are looking forward to our Easter Egg Hunt. The information about the Easter Egg Hunt will be on the door of the classroom. Parents are welcome.
