CLOSED for Spring
Break – 4/18 & 4/21

Themes for April

- Earth Day
- Spring
- Transformation of caterpillar to butterfly

Notes

Pollen season is finally here! We hope everyone manages to stay healthy with clear sinuses this month.

For the month of April, we have a lot of fun activities and crafts planned that correlate with Earth Day.

Our Room 2 class will continue to observe our class caterpillars and their growth, where we will grow a step closer to watching them transform into butterflies!

Reminders

As the weather will be getting warmer this month, we ask that you provide appropriate clothing in your child's backpack (short-sleeves, shorts, etc.), and if there's any sunscreen you'd like to provide (if we don't already have it), we will have a form ready to sign.
