

June Newsletter

Room 2 | Ms. Adrianna, Ms. Victoria, Ms. Keira

Notes

This month, we'll be focusing on ocean life and other aspects of summer. To help understand it, we'll be centering on fun activities and arts-and-crafts that will keep our students engaged!

Our class will also be excitedly preparing heart-felt gifts for Father's Day. Please look forward to all of the presents that will be crafted by the children.

To kick-start summer, Room 2 will be organizing Water Days, if the weather permits. Further information in regards to this will be coming soon.

In celebration of Father's Day, we'll be arranging "Donuts with Dads," we'll also be sending out more information and details later on.

Themes for June

- Father's Day
- Ocean Life
- Summer

Reminders

With the ongoing hot weather, please be sure to provide appropriate clothing in your child's backpack (short-sleeves, shorts, etc.).

Just a friendly reminder, to apply sunscreen on your child before drop-off due to mornings becoming busy.
