At a Glance

Feeding

Our babies are growing so fast and most of them are now eating purees or beginner table foods. Please let us know if you would like to make any changes to your child's feeding plans. A big goal we have is to get everyone holding their own bottles. Please help encourage this at home too!

Supplies

As always, we will continue to inform you if your child is in need of any items, but it's always a good idea for you to check their bins for extra clothes, and make sure everything you bring has their name written on it

Learning

We are excited to be diving into some fun upcoming art projects and learning new skills! Stay tuned for fun updates regarding each child's goals and developmental milestones

Reminders

We are a no shoe room especially on carpeted areas, please remove your shoes at the door

Each child has their own pacifiers labeled for school use, please try not to send in new unlabeled pacifiers

Upcoming Events

- 2/9-2/13 Book Fair
- 2/13 Parents Night Out
- 2/16 JPLC Closed-Teacher work day
