

ROOM 2 APRIL NEWSLETTER

Ms. Adrianna, Ms.
Victoria

Notes

We've officially reached the beginning of Spring, and we hope it's a flourishing season for our Room 2 families and friends!

This month, students are exploring the various components of Spring and the rainy weather that occurs during April, which we will incorporate plenty of our arts-and-crafts with. In inclusion, our Room 2 friends will be celebrating Easter with a party and an exciting Easter Egg Hunt, which more information will be released later on.

The Week of the Young Child is held this month, where we will be creating fun and interactive arts-and-crafts with our little artists to share with their friends and families!

Reminders

With the unpredictable weather, we ask that the extra clothing in your child's backpack be accommodating for both warm and cold temperatures. (Long/short-sleeves, shorts, pants, jackets, etc.)
