

APRIL NEWSLETTER

Room 3 | Spring '26

News

This month, we're so excited to welcome a month filled with sunshine, growth and fun learning experiences. We encourage you to talk with your child about what we are learning and doing at school each day. Asking questions, listening to their responses, and expanding on their thoughts can greatly support their speech growth and confidence. Correct and model language at home for example if your child says "Wawa", you can respond "yes, water". This helps them hear the correct pronunciation while still feeling understood. Your involvement at home makes a big difference. Thank

you
Love Ms.Ja'maya & Mrs.Taylor
