

ROOM 7 MAY NEWSLETTER

Welcome May! We are so excited to see the warmer weather! Last month we enjoyed learning about Our Pond Life, Week of the Young Child, Easter, Earth Day and Pete the Cat. This month we have so many things to look forward to. We will be learning about Mother's Day, Space, Zoo, and Pond Life. Parents, please make sure your child's backpack has 1-2 sets of clothes, please make sure they are weather appropriate, that he/she has a child size blanket and a standard crib sheet. We must make sure that all their items fit in their backpacks and can be zipped up. Thank you so much for helping us out with this matter. We can't wait to see what this month brings us!
