

ROOM 2 MAY NEWSLETTER

Ms. Adrianna, Ms. Victoria

Notes

Room 2 would like to extend a warm welcome to springtime, along with the blooming and growth that accompanies it. We would also like to wish a happy Mother's Day to our Room 2 families and friends!

This month, our students are exploring the budding of Spring such as flowers and gardening. We will be observing the growth of our classroom seeds, and even releasing our butterfly friends once they are ready for flight!

In addition, our Room 2 students will be working extra hard on crafting Mother's Day gifts to express their gratitude and love. In celebration, we will be organizing a Mother's Day Breakfast To-Go where more information will be posted upon closer date!

Reminders

With the unpredictable weather, we ask that the extra clothing in your child's backpack be accommodating for both warm and cold temperatures (Long/short-sleeves, shorts, pants, jackets, etc.).
