

ROOM 7 JUNE NEWSLETTER

Hello June! Last month we enjoyed learning about Eric Carle, Mother's Day, the Zoo and the Farm. This month we will be talking about Dinosaurs, Father's Day, Summer Fun, Space and the 4th of July. We are looking forward to many more sunny days! We ask that your child wear comfortable shoes. Sometimes, flip flops, sandals, and other open-toed shoes can cause them to fall and get hurt. Parents, please make sure your child's backpack has 2-3 sets of extra clothes, a child size blanket, and a standard crib sheet (make sure you bring a clean sheet and blanket every week). Also, please make sure that all items fit in their backpacks and can be zipped up. Thank you so much for helping us out with this matter. We can't wait to see what this month brings!
