Themes:

4th of July, Zoo, Camping and Summer Safety

It's summer time! As we near the end of our school year, and as anticipated fall move ups in Aug. we want to make the most out of the time we have together. With temps rising we ask that parents please bring in warm weather clothes for your child. We look forward to the most exciting sensory activity of the year, water play!

Below you will find the dates and a list of needed supplies.
