

SEPTEMBER

Room 12 Newsletter

We have had a wonderful start to our new school year! We have so many fun and exciting things planned, and we can't wait to learn, grow, and make lots of great memories together! ❤️

This year, we will be learning about:

-  Shapes and colors
-  Letters and letter recognition
-  Name recognition and writing our names
-  Independence and self-help skills

Starting September 7th, we will begin our Letter of the Week! Each Friday, we will celebrate what we've learned with either Show & Tell or a fun food project related to our letter of the week.

Family Tree Project

Please send in 2 family photos with your child. We will use them to create our classroom Family Tree! We are excited to celebrate all of our wonderful families. 💕

Please check folder daily and watch for Info on the white board or messenger on bright wheel.
