

# ROOM 7 SEPTEMBER NEWSLETTER

Hello September, We can't believe we made it through our first few weeks in our new room! We have learned so much already and there is more to come for sure. Last month we enjoyed learning about My new classroom, All about me and my home and family. This month we will be learning about our 5 senses, apples, colors and shapes and fire safety. We can't wait to see what this month brings.

## ***INFORMATION***

We ask that your child wear comfortable shoes. Sometimes, flip flops, sandals and other open-toed shoes can cause them to fall and get hurt. Parents, please make sure your child's backpack has 2-3 sets of extra clothes, a child size blanket, and a standard crib sheet. Also, please make sure that all items fit in their backpacks and can be zipped up. Thank you so much for helping us with this matter.
