BOO!

HELLO, FAMILIES!

We are excited for another month of learning and growing with our little ones! This month, we are encouraging your child to use their spoon independently, so please help them practice at home. When arriving at school each morning, every child should wash their hands. Friendly reminder to take your child's book bag home on their last day of the week. Thank you for helping us practice these important skills at home! We'll enjoy pumpkin crafts, costume fun, and not-so-spooky stories together. We can't wait to celebrate, create, and make sweet memories with our little learners!
