

October News

Room 6: Ms. Virginia and Ms. Danielle

Happy Fall! We have settled into the changing season, watching the leaves change colors and exploring themes of change and growth. As we move into the cooler months, we will explore more about our community, colors we can find around us, and what objects and items we can find this time of year!

October Themes:

5th - 9th Community
Helpers
12th - 16th Pumpkins
19th - 23rd Friendly
Monsters
26th - 30th Halloween

Did You Know?

Children aged 3 to 4 experience rapid physical and cognitive growth that makes autumn an ideal season for sensory learning and outdoor play. This age group can run, hop, and climb, making leaping into leaf piles a fantastic full-body workout for developing balance and coordination. Additionally, sensory play like crunching leaves, cutting pumpkins, and feeling crisp air give children concrete experiences to anchor brand-new descriptive words like crunchy, chilly, and orange.

October Birthdays:

Amelia: 20th

Dates to Remember:

9th Parents Night Out
12th Closed for Fall Break
30th Trunk-or-Treat
